PUT aims to raise £25m

Simon Holley's and Simon Blake's Altyon Partners has launched an exempt property unit trust looking to raise £25m from SIPP and SASS individual pension fund investors. It will have a target internal rate of return of 12%, and will focus on secondary property and land, distressed industrial situations, conversion/change-of-use opportunities and off-market transactions in Europe.

SEGRO lands APP stake

SEGRO this week confirmed its acquisition of BAA's 50% interest in the Airport Property
